He has been called the down-to-earth business speaker who takes complex ideas and distills them into everyday language. Audiences have praised him with quotes like *"Barry has the passion of Tom Peters (In Search Of Excellence) and the content of Jim Collins (Good To Great)."*

A can opener for people's minds, Barry will rattle their cages with his thought-provoking ideas and unconventional wisdom. Based on his personal interviews of 350 Fortune 500 CEO's, and over 2,000 ground breaking business leaders and entrepreneurs, combined with street smarts gained from growing up in Brooklyn, Barry's down-to-earth style inspires people to use off-the-wall thinking to create a company of doers versus talkers.
