Steve Gilliland is one of the most in-demand and top rated speakers in North America. He has been working with meeting planners and speakers bureaus since 1999 to entertain, educate and inspire audiences all over the world. Recognized by his peers as a master storyteller and brilliant comedian, his appeal transcends barriers of age, culture and occupation. Steve's interactive and entertaining style helps audiences connect and relate as he shows them how to open doors to success in their careers, their relationships and their lives. Over two million people have heard him speak, with his audiences crossing over 29 different industries. Steve has the distinction of speaking in all 50 states and in 15 countries. One newspaper

stated, "Steve is what happens when the humor of Ron White collides with the inspiration of Zig Ziglar."

In addition to his brilliant speaking career, Steve is an accomplished author, which is evidenced by his book *Enjoy The Ride™* being on the publisher's best seller list for five consecutive years and being named Author of the Year in 2010. His thought-provoking writing style makes his articles a favorite with nationally prominent magazines. He influences the lives of millions through his keynote speeches, books, CDs and DVDs. An extensive array of these products has been utilized by small businesses, Fortune 500 companies, U.S. and Canadian government agencies, churches, school districts and nonprofit organizations. Speaking the language of active business leaders, his books and CDs identify practical lessons that grow people and their businesses.

Steve built a multimillion-dollar company from the ground up on the same philosophy he expounds to his audiences. If you continually learn more about your company, your industry, your customer and yourself, you will always be a leader. You will be purpose-driven rather than process-driven, and you will make a difference. His motto is straightforward: "If you take care of people, the business will follow." Implementing this principle, he has helped people grow their businesses and expand their lives by teaching them to rethink their work, their relationships and themselves. He was recognized by *Who's Who for Speakers and Business Professionals*, and his company was acknowledged by the *Pittsburgh Business Times* as one of the fastest growing privately held companies in the region.

Steve learned great compassion for people and a commitment to a hard-work and balanced-life ethic at the knee of his highly principled Christian mother and stepfather. Whether Steve is speaking at an event, writing about current issues that impact people or leading his own employees, he is not just a person who challenges people to change, he motivates them to do so.

Everyone who hears his message leaves with a renewed sense of enthusiasm for who they are and for what really matters.
